hello

Welcome to Blue Medi Spa, a new concept in wellness combining beauty, science and service. Blue mixes the innovation of medical beauty with the luxury of a spa, giving modern glamour girls and guys a unique spa experience that delivers results.

Forget boring beige spa clichés, Blue's futuristic pad radiates with the energy of our namesake color, but don't let our fab façade fool you. We've been tweaking the bodies and faces of the velvet rope-bound with a mix of luxe spa services and one-step-ahead medical treatments for years. From downtown divas and valley vixens, to celebs and pros-in-the-know, Blue is the premier spa choice for medi beauty pampering. Visit Blue and discover for yourself why feeling blue never felt better!

facials

blue you facial

50 min / \$100

Spa newbie or glow pro, our signature facial is all about you. We tailor your facial to your unique needs with a complexion analysis, deep cleansing, exfoliation, extraction, invigorating massage, skin type-specific mask and warm paraffin hand dip for dermalicious results.

microdermablue

45 min / \$150

microdermablue w facial

75 min / \$225

Resurface unhappy skin and give dead cells the brush off. Microdermabrasion minimizes age and sun-related discoloration, acne and fine lines by gently removing the outermost layer of dull skin and revealing the healthy, glowing skin beneath. Ideal for the face, neck and décolleté and highly recommended with an IPL FotoFacial.

metropoliman facial

50 min / \$100

Hey tough guy - your skin needs a workout too! Tackle ego-busting ingrowns and get those dirty pores clean with this moisturizing, conditioning and exfoliating facial. Smooth and tone rough, acne-prone skin for a healthy look without any girly shine.

facials

teeny popper facial

50 min / \$100

Stop your skin from hanging around with the wrong crowd and just say no to blackheads, oil slicks and pesky pimples. Our teen facial softens you up, gets the gross stuff out and tones down rebellious skin for an honor roll finish. Homework!—follow your suggested homecare regimen for A+ skin!

royal blue facial

80 min / \$295

We combine our signature facial with microdermabrasion and an oxygen infusion for truly majestic, turn-back-the-clock results. This rejuvenating treatment trio dramatically smooths fine lines, tightens skin and gets you glowing. We'll make it downright regal with exfoliants and serums customized to your skin's needs.

blue o2 facial

60 min / \$195

add o2 infusion to any facial

\$100

The closest you can come to an instant facelift! Blue's age-defying O2 facial combines oxygen, hyaluronic acid and oodles of vitamins to plump, hydrate and brighten dull, lifeless skin—lines, wrinkles and creases virtually disappear. Perfect for weddings, premieres and any special event where you want a dramatically radiant and lifted look immediately.

facials

bye bye acne blues facial 60 min / \$120

bye bye acne blues back facial 60 min / \$140

Blast blackheads, purify pores and relieve pesky redness with this acne-obliterating facial. Steam, extraction, a little TLC and a calming anti-bacterial mask makes it all better. Try with the Blemish Blast peel for maximum results.

defuzzinator 30 min / \$100

add defuzzinator to any facial \$75

Sweep away irksome fuzz and minimize fine lines with a few good strokes. Dermaplaning exfoliates the skin and temporarily eliminates blonde, gray or peach fuzz while minimizing the appearance of fine lines and large pores. Recommended every 3-4 weeks.

Super size it! Combining a facial with a peel magnifies the result of both. Please call Blue **818.783.3600** to learn more.

peels

vitalize peel 30 min/\$175

vitalize peel double strength 30 min/\$250

Discover the peel that delivers nip-tuck results without surgery. Vitalize peel is clinically proven to help diminish discoloration, stimulate collagen, tighten skin texture, lessen fine lines and deliver a healthy, more youthful look with minimal downtime. This renewing treatment is a must prior to any laser procedure. Blue O2 and Blue You facials done one-week post peel amplify results. For supersized youthifying, make your peel a double strength and get twice the peeling power of the original.

blemish blast 30 min/\$150

Put your best face forward! Outwit acne and banish blemishes with this advanced micro peel that unclogs, extracts, de-stresses and detoxifies for squeaky clean, blemish-free, smooth skin. For primo results, try a Bye Bye Acne Blues facial one week after peel.

Blue also offers additional peels including... **glycolic, lactic, TCA, Jessner**, and many more. Please consult a Blue aesthetician for more information on which peel is right for you.

miscellany

latisse for lashes

Sick of sparse, puny, wallflower lashes? Well get ready to unleash your inner wildchild with bat-worthy, bombshell flutter factories! Discover Latisse, the first and only FDA-approved treatment scientifically proven to lengthen, thicken and darken lackluster lashes.

cortisone acne shot

Nothing quite mucks up your day as the surprise pimple, and not just any garden-variety blemish, but the event-wrecking monster that always seems to pop up when you have to look your best. Fortunately Blue's Cortisone Injection immediately soothes away the redness, depuffs angry skin, and swiftly makes the booboo a bygone.

laser therapies

laser hair removal

Hair today, gone tomorrow. Modern glamour girls and guys don't have to fuss with shaving or waxing, or unsightly ingrowns and irritation. They're too busy looking fabulously hair-free thanks to Blue's most advanced method of laser hair removal. No matter your skin type, we'll get you beautifully bare... everywhere.

laser vein removal

Are spider veins bugging you? Our innovative laser vein removal treatment zaps leg and facial vascular lesions, spider veins and broken vessels with phenomenal success. Many patients see up to an 80% reduction in the appearance of those wavy, thin, reddish-purple veins. We'll give you the 411 on your best treatment options during your first consultation.

tattoo removal

Tattoo you no more. The only trend hotter than getting a tattoo, is getting rid of one. Blue's advanced laser technology removes your tattoo safely, quickly and in most cases without leaving a scar. No matter the size, color, location or age of the tattoo, our lasers get the ink out without damaging your skin. A series of treatments is required for best results.

laser therapies

ipl fotofacial

Beam your way to beautiful! IPL FotoFacial is a revolutionary method of photo rejuvenation that improves your skin's texture, tone and appearance. Intense pulsed light minimizes sun damage, brown spots, acne scarring, discoloration and age spots. You'll notice a more vibrant, healthier complexion as imperfections fade away. Maximum results in a series.

laser genesis

Get on your way to dreamy, creamy skin with Laser Genesis. A rejuvenating procedure, Laser Genesis shrinks large pores, minimizes acne scarring, evens out skin texture and diminishes excessive redness and rosacea. You'll experience a gentle warming of the skin you'll enjoy, without the downtime you don't.

titan

Hailed as "the ultimate beauty breakthrough", Titan uses infrared light to heat the dermis, spurring collagen production and firming loose skin without the expense, risk, downtime and pain associated with traditional lifts. Results are immediate and tightening continues as new collagen develops. Great for any area with loss of firmness. Get "Titan-ed" and make flabby arms, sagging necks, droopy jowls and mushy tummies a thing of the past.

laser therapies

Just as you are unique, so is the aging process. Some people develop redness, age or sun spots, others get large pores, fine lines and wrinkles. Whether you have one, two or all of these issues, the multi-tiered treatment approach of Blue's 2D and 3D rejuvenation revitalizes skin on every level.

2d rejuvenation

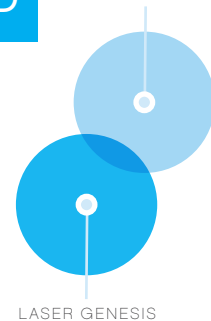

2D combines IPL FotoFacial, a light-based procedure which addresses spider veins and sun damage, with Laser Genesis, a laser treatment that softens fine lines, shrink pores, decreases redness and stimulates collagen-creation for a more youthful appearance.

3d rejuvenation

The ultimate treatment trio—IPL FotoFacial, Laser Genesis and Titan, targets the three layers of your skin for a deep rejuvenation. A perfect treatment for those who wish to reduce or delay the signs of aging.

zirona laser fat removal

Girthy girls, beefy boys and everyone in the "more-to-love" zone rejoice—Zerona the amazing, fat-slaying laser treatment is here! Zerona is the first noninvasive body contouring procedure FDA-cleared to effectively remove excess fat without the negative side effects associated with surgical methods. An excellent fat reducing alternative to traditional liposuction, Zerona uses proven cold laser technology to target and obliterate fat. If diet and exercise aren't working their magic on your love handles, muffin tops and belly pooches, then discover the toned future that awaits you with Zerona.

endermologie cellulite reduction

Dimples in these cheeks are anything but cute, but don't throw away your mini in despair. Eliminate orange peel skin and give cottage cheese thighs the kiss off with the only treatment that successfully reduces cellulite. Endermologie is a mechanical massage designed to improve skin tone, contour the body and reduce the appearance of cellulite. Endorsed by plastic surgeons and dermatologists, Endermologie produces amazing results that even liposuction can't achieve. For optimum results, a series is recommended.

botox

We've got your number when it comes to beauty. Give us ten minutes and we'll put pesky wrinkles and deep lines in their place with the ultimate wrinkle-buster—Botox. Botox relaxes the muscles that cause wrinkles, leaving skin smoother, tighter and wrinkle-free. With a few quick injections you can soften the appearance of crow's feet, brow furrows and forehead lines in minutes.

botox for hyperhidrosis

Blue also offers Botox for Hyperhidrosis (a condition resulting in excessive underarm perspiration). Approved by the FDA, this amazing treatment can dramatically reduce underarm moisture for up to a year.

dysport

Beauty 911! You need to be fresh-faced now and you're a bit light on cash. Good thing Blue has Dysport. A new alternative to Botox, Dysport has been all the rage in Europe for over 20 years, and two million smooth-faced Euros can't be wrong. Dysport is Ideal for softening moderate to severe frown lines with super speedy results; most clients see a visible difference in just 24-48 hours.

injectables / fillers

dermal fillers

Need a little lift, but scared of going under the knife? Dreaming of a pillowy pout? Noticing more wrinkles and lines? Cease the crease with the line-plumping wonders of dermal fillers. Using hyaluronic acid, a substance your body produces naturally, dermal fillers renew lost volume, plumping lines for long-lasting, youthful-looking results. Perk up droopy brows, fatten lackluster lips and fill in wrinkles, folds and hollows for immediate and dramatic results. Blue offers several FDA-approved wrinkle-filling superstars...

arrival

Please arrive 10 minutes prior to your appointment, so you'll have plenty of time to unwind in our lounge and give us the 411 on what's new in your life. There's nothing fashionable about being late, you'll just deprive yourself of the full treatment time.

cancellation

All appointments must be secured with a verifiable credit card to ensure your reservation time. Blue knows things can suddenly pop up but please provide us with 24 hours notice to cancel/reschedule a spa treatment, and 48 hours notice to cancel/reschedule a medical treatment. If appropriate notice is not given, you will be charged a flat fee of \$50 for a spa treatment, and \$100 for a medical treatment. If you do not notify us at all (no-show), your entire treatment fee will be charged to your credit card.

scheduling

Blue's always buzzing so reservations are highly recommended, but walk-ins are welcome. Due to the medical nature of our treatments, appointments can sometimes exceed their scheduled time. Although we do our best to accommodate your schedule, please be patient and know that your treatment will also receive the same level of personal attention.

spa policy

payment policy

Blue accepts cash, Visa, MasterCard and American Express. All gratuities may be paid directly to the aesthetician/clinician in cash or by personal check. We apologize for the inconvenience, but Blue cannot add a gratuity to your credit card.

client satisfaction

We think Blue's products are the best and we think you'll enjoy them just as much. But if you are unhappy with a product purchase from Blue, please return the unused item with a dated receipt within 7 days of purchase and we will gladly exchange the item for store credit toward another Blue product or service of your choice. Please note, Blue gift cards, series/package purchases, and medical grade products are non-refundable and non-transferable, so please choose wisely.

odds and ends

We wouldn't be the trendsetters that we are if we weren't constantly expanding our services. Although Blue tries its best to keep spa menus updated, prices and services are subject to change at any time. We love having you as a customer, but Blue does reserve the right to refuse service at any time, to anyone, for any reason.
